# Selfone by die skool / Cellphones at school

Graag bring ons die selfoon kwessie onder ons ouers se aandag.

Ons is bewus daarvan dat leerders selfone skool toe bring vir sport en na-skool aktiwiteite—die reël is egter dat leerders die fone inhandig by die kantoor en weer afhaal net voordat die skool verdaag.

Leerders wat nie by die selfoon-reël hou nie, se fone sal afgeneem word en volle detensie daarvoor kry.

Ons waardeer u samewerking in die verband.

Dear Parents

We would like to bring the cellphones issue at school to your attention.

We are aware that some learners bring their phones with them to school for sport and after-school activities. The rule regarding cellphones is that it must be handed in at the office and collected again just before school adjourn.

If the learner is caught with his/her phone it will be confiscated and the learner will get immediate full detention.

We appreciate your cooperation.
